In our earlier Notice (Memo no. COE/87(i)/2022, Dated: 11/04/2022, in page no. 6, point no.1) it has been clearly mentioned that at the time of Examination OTP will be delivered to the Registered Mobile Number (i.e. the number recorded at the time of admission) or the Alternative Mobile Number of the learner concerned, so he/she had been asked to put his/her OWN Mobile Number at the time of submission of filled in Examination form. But unfortunately, it has been observed through our e-surveillance system during online submission of Assignment, that in many cases, where against one single Mobile Number, which is the Alternative Mobile Number, vast number of learners have registered themselves. Consequently, it has not been possible to send the confidential OTP to such Alternative Mobile Number given by more than one candidates and from such number(s) logging into the NSOU Online Assignment submission portal will be automatically barred.

For such aforesaid cases, to submit the Online Assignment, learners are requested to follow the undermentioned procedure:

- 1) Only such learners who are having the above issues/problems may click on '*I cannot login with any of my Registered Mobile Number*' link on the login page of Online Assignment submission portal.

- 2) Upon clicking on the above link, the candidate will be allowed to submit a form with the following data:
- A. Learners can put a new Mobile Number which is different from the previous Alternative Mobile Number. This new Mobile Number should have an evidence/ proof that it is owned by the concerned candidate himself / herself.
 - B. The candidate has to Upload a scanned image of one authentic document viz. his / her Aadhar Card / Bank Pass Book / driving license etc. where the said Mobile Number is printed and clearly visible.
- 3) While submitting this form, that Mobile Number will be verified with an OTP. This Mobile Number must be different from the previous Alternative Mobile Number and not to be used by any other learners who are logging into the NSOU Online submission of Assignment portal.
- 4) After submitting this Form, the learner may come back after 4-5 hours to visit the respective online submission of Assignment portal login page to login his / her Assignment submission - Dashboard using the authentic **Alternative Mobile Number** supplied by him/her in the above-mentioned process (vide Sl. No. 1 & 2A & B).

It may please be noted that the learner concerned may avail the scope of correction of Alternative Mobile Number on & from **31/07/2022 (2:00 p.m.)**. Considering the whole situation, it has also been decided that the span of Online Submission of Assignment may be extended for another **3 days (24×3 days)** from **02/08/2022(2:00 p.m.)** to **05/08/2022(2:00 p.m.)**.
