Greetings from United States-India Educational Foundation (USIEF), Kolkata!

As you may be aware, USIEF is a bi-national Fulbright Commission of Government of India and U.S. Government. We also host EducationUSA, which is supported by the Bureau of Educational & Cultural Affairs (ECA), U.S. Department of State. EducationUSA is the official source of information on higher education in the U.S., and we advise students planning to pursue higher studies in the United States. Our mission is to provide accurate, comprehensive and current information on opportunities for higher education in the United States to prospective Indian students.

USIEF set up in February 1950, is governed by a binational Board of Trustees, consisting of five Indian members, nominated by the Government of India, and five U.S. members nominated by the U.S. Ambassador to India. The Indian Foreign Secretary and U.S. Ambassador are the honorary co-chairs of the Board of Trustees.

On **Friday, September 01**, USIEF will host an EducationUSA fair in Hotel Hindustan International (HHI). This Fair provides an opportunity to prospective students and their parents to interact directly with officials from U.S. universities to know about the admission processes, financial aid options and other relevant details.

Highlights of the Fair:

- Chat one-to-one with U.S. university representatives and get your questions answered on programs, application processes and financial aid at these universities
- Collect the latest brochures and course descriptions of universities at your convenience during the fair
- Interact with EducationUSA India advisers, a U.S. Department of State network of advising centers that provide accurate current and comprehensive information on the U.S. university application process. We are the official source of information on U.S. higher education!
- Meet with testing organizations and discuss the latest updates on testing
- Attend useful and engaging sessions on various aspects of the application, admissions, and student visa process

Date and Venue: Sep 01, 6.00- 9.00 pm at Hotel Hindustan International, Kolkata

Here is a list of participating universities (subject to change):

1. Arizona State University
2. George Washington University
3. Illinois Institute of Technology
4. Iowa State University of Science and Technology
5. Louisiana Tech University
6. Montclair State University
