

Greetings,

I hope this email finds you well. May I request your help to circulate the following information among the students of your college?

The Rhodes Scholarships are post-graduate awards which support outstanding all-round students at the University of Oxford, UK.

- Eligibility: Applications for the 2025 Rhodes Scholarship are open to Indian citizens who meet specified age criteria and who have received, or are on the path to receiving, at least a first class undergraduate degree by July 2025. The current competition is for intake in September/October 2025. Eligibility can be checked and applications submitted using [this link](#).
- The University of Oxford's website A-Z list of graduate courses can be used to find out about the different course options available at the University. Most of these are covered by the Rhodes Scholarship. Rhodes Scholars can pursue DPhil - Oxford equivalent of PhD (in any subject as listed at the website), MBA, Masters (subject as listed), etc.
- What is covered: All university and college fees for two to three years (depending on the academic route taken), an annual stipend, and travel expenses to the University of Oxford before the start of the programme and a return ticket following the course of study.
- To apply for the Rhodes Scholarships for India 2025, aspirants must submit an online application from the link provided previously. The competition timeline is as follows
 - Currently open
 - *Closing date: 23:59, Indian Standard Time, 01 August 2024*

We are also planning a comprehensive webinar series, starting on 22 June, which will focus on the written stage of the application process, and is aimed at equipping students with the skills and techniques needed to write a strong application, as well as navigating other aspects such as crafting a compelling CV, writing personal statements, etc. These webinars will take place over Zoom. Please complete the registration form at <https://forms.gle/puGEcik65bKxGMj37>

Queries can be emailed to india.secretary@rhodestrust.com. Thank you for disseminating this information and facilitating our outreach to the students.

Best wishes,

Bela Desai
