Respected Madam/Sir,

A common factor among well performing higher education institutions is the unique practices they follow in instruction, research and extension. Recognizing the importance of best practices in higher education and with a view to take such practices to all universities and colleges across the country, the UGC is organizing a year-long lecture series with a lecture every month, starting from April, 2022, to be delivered by a head of one of the premier institutions in the country.

The first lecture in the lecture series will be delivered by **Prof. Govindan Rangarajan, Director, Indian Institute of Science, Bangalore** on the topic “**Academic Best Practices: Some Case Studies**” on **27.04.2022, at 10.30 AM.**

The lecture will be live webcast on **Twitter handle** at:

**@ugc\_india** and **Youtube channel** of UGC at:

<https://youtube.com/channel/UCIbbWYTjSiXnhShJ0Z1-05g>.

I invite you to kindly join the online lecture on the date and time mentioned above and also requests you to bring this to the notice of all faculty members and students of your institution and encourage them to join. I am confident that some of the best practices may help you to improve the quality of education that you have been striving to achieve.

With kind regards,

Yours sincerely,

**(Rajnish Jain)**
