Planning out your future is not always easy!

Do you opt for higher education or should you start working right away? The first option boosts your career, but will mean an upfront investment. The latter enables you to get a headstart on your career - but what about future growth? And there's always the uncertainty of finding the right job at the right time. The solution is simple.

Work Integrated Learning Program 2022 offers BCA and BSc students a chance to do it all! Start working at Wipro while pursuing an M.Tech degree from a premier university. Here's the best part - we sponsor your degree too. Interested?
