4 Year MAJOR/ HONS Course

&

3 Year MDC Course

Paper: ENG-SEC-2-2

Tutorial topic

Write a short essay (1500 words) on the following topic:

"Global warming does not concern the planet only, it touches every one of us"

You may focus on the following points:

1. What is global warming? When was it detected?
2. Is global warming caused by humans alone?
3. Effect of global warming across different groups of people.
4. Effects of global warming among other species.
5. How can small measures reverse the effects of global warming
6. What are the international frameworks defined to mitigate global warming?
7. Conclusion

You may type your assignment in 12 pt. Times New Roman font, 1.5 spacing.

Mention CU Roll.No, Registration No. College Roll no. and Name clearly on the top sheet of your assignment.
