CAUTION NOTICE

DILAPIDATED CONDITION OF THE COLLEGE BUILDING

It is hereby notified to all teaching, non-teaching staff and students of the college that several portions of the college building are in a ruinous stage for the past few years. Several incidents of sudden collapse of different parts of the college building are occurring frequently. Physical inspection has been conducted many times. Very recently one such incident of the sudden collapse of one sunshade has been reported. Yesterday the convenors and members of the building and maintenance subcommittee along with two structural engineers have physically inspected the ruinous condition of the collapsed areas (including dilapidated portion) of the college building. The subcommittee has identified several portions of the college building in ruinous and dangerous state.

Under the circumstances, we need to provide timely qualitative and quantitative warning to all of you to take precautionary measures.

You are therefore requested to follow the following SOPs:

1. Do not use the garage gate and adjoining passage unless absolutely necessary.
2. Avoid keeping bicycles, two-wheelers and cars in that area
3. Do not loiter or stand in the passage area.
