To

The Principals/ TICs of all affiliated colleges of University of Calcutta

In respect to intermediate Semester/Part examinations at the Undergraduate level, the University of Calcutta will follow the UGC guideline issued on April 2020, where it has been stated that grading of the students should be composite of 50% marks on the basis of the pattern of internal evaluation and the remaining 50% marks should be awarded on the basis of performance in previous semester/ year only (if available).

In the situations where marks of previous semester or previous year are not available, particularly in the first year of the annual pattern of examinations, 100% evaluation should be done on the basis of internal evaluation.

This is applicable for all eligible candidates appearing as a whole or partly.

All the affiliated colleges are hereby requested to take necessary action and upload internal assessment marks within the following stipulated time period (November 23, 2020 to December 23, 2020).
